Job Duties:

The GOALS program employs young parents and trains them to engage and educate their peers on the realities of teen/young adult parenting using the No Kidding Ohio curriculum.

What is Required

- Work with the Perry County CSEA NKO GOALS Program Manager, peer educators and students
- Currently a parent between the age of 15-25
- Legal Paternity of child is established, in progress, or parent is interested in establishing
- Capable of sharing teen parenting story with peers
- Able to pass background check (no associated cost)
- If required, registered with the selective service

The No Kidding Ohio Curriculum

Tell your Story: Peer Educators talk realities about their lives, their journey and share truths about information they wish they'd known before having their child

Paternity and you: Discuss the issues, legalities, and commitment of paternity and parenting using interactive exercises and personal stories

Show Me the Money: Explore the costs and financial responsibilities of supporting a child
